A fleet that’s 100% operational at all times with « Mobile fleet creation and management »

Simplified mobile fleet management

We are committed to **protecting your mobile at all times** by securing access to your phone’s data, and offer to take care of all the maintenance and management of your mobile fleet, so that it’s **100% operational at all times.**

Working with DIS-CONNECT is a +

Our collaboration with our trusted partners enables us to provide quality services to satisfy you, because you are our priority.

1. We know all the current MDMs and we'll choose the best one for you.
2. We currently manage more than 2,000 phones in different locations.
3. 24/7 management - flexible to your needs
